Libya: Anti-Western demonstrations may occur in Benghazi.

Mass demonstrations will be held in front of the British Embassy if the UK agrees to sell arms to Israel,

[redacted] There has been no public announcement of any British agreement to deliver tanks to Israel, but there has been a great deal of publicity in the Arab press about the negotiations.

The US has also been under attack by the Libyan press for the sale of F-4 fighters to Israel. The emotional influence of the Arab-Israeli conflict on the Libyan population is such that demonstrations could occur at any time and could easily take on an anti-American coloration as well.
